

ARE YOU A COMPOSER?

CAN YOU COMPOSE A PIECE OF MUSIC TO CELEBRATE 40 YEARS OF THE INTERSCHOOLS MUSIC FESTIVAL?

To celebrate our 40th year, the Interschools Music Festival is launching a competition for secondary school students to compose a piece of music. **The theme for the competition is "Celebration"** and we would expect all compositions to reflect this. This composition can be in the form of an orchestral arrangement, a choral piece, a chamber arrangement or an instrumental piece. **All entries should not exceed 5 minutes in duration.**

The winner will receive a prize of €250 and a performance of their composition at the festival 2016. **The closing date is 1st Feb 2016.**

Please submit compositions in both score & digital form (CD, USB or mp3 files) along with your name, age, email address and school name to:
